Instruction to Students

- 1. Students should make a front page (hand written or otherwise) as provided to them and fill up the necessary information.**
- 2. Give serial numbers to all the pages of the answer script.**
- 3. Write roll no. & name in every page of the answer script.**
- 4. The answer script along with the front page is to be scanned in PDF format.**
- 5. The answer script should be saved in a single file.**
- 6. Save the file in the format of Subject code_Roll No, like EE801_16101102001.**
- 7. Send the saved 'answer script PDF file' to the email id from which question will be send every day.**
- 8. While sending the mail put the same name of the PDF file as subject.**
- 9. In case of multiple submission of answer script (PDF) only the first one will be considered.**
