This gives me great pleasure to congratulate the entire stake – holders i.e. all the students as well as all the teaching and non-teaching members of this college in calling off the unfortunate impasse going on for some days. This prestigious institution is for the students, of the students and by the students. Many of our past students are holding important positions in various sectors inside the country and also abroad.

“Shraddhaban labhate jnanam”. Let spontaneous respect and affection be bestowed upon us. Let us exert our best efforts to make our college an Institution of World –Class Reputation. I do believe that we will succeed in achieving this goal.

All the activities including academics have already been started.
