Notice

Date: 07.05.2022

It is hereby notified to all students that due to recent changes in Google Workspace policies, the storage space allotted to each email ID will be **limited to 30 GB**. Students who are using a huge amount of space in TBs are requested to download their data and remove the data from Google Drive in order to prevent **suspension** of their account by May 14, **2022**. From now on, the official email IDs provided by the institution will be **deactivated in the month of June, after one year** from their respective graduation year. Therefore, it is advised to take a backup of your account or contact support@jgec.ac.in for any requests in special cases.
