Instruction to Students

1. Students should make a front page (hand written or otherwise) as provided to them and fill up the necessary information.
2. Give serial numbers to all the pages of the answer script.
3. Write roll no. & name in every page of the answer script.
4. The answer script along with the front page is to be scanned in PDF format.
5. The answer script should be saved in a single file.
6. Save the file in the format of Subject code_Roll No, like PTM201_18101203001.
7. Send the saved 'answer script PDF file' to the email id from which question is sent.
8. While sending the mail put the same name of the PDF file as subject.
9. In case of multiple submission of answer script (PDF) only the first one will be considered.

02.10.2020
