

Ref. No.429-P/2020

**NOIFICATION**

Date: 22.07.2020

**Alternative evaluation scheme due to Covid-19 pandemic situation  
(based on different advisory, notification received and the decision of Academic council on 21.07.2020)**

It is hereby informed to all concerned that the following decisions are made in respect of assessment and publication of results for all final semester students (even semester 2019-2020 during Covid-19 pandemic situation:

**1. Theoretical subjects for Regular students of final /terminal semester:**

a. 20 marks out of 100 marks for the final /terminal semester students would be awarded based on 'Assignment based evaluation' .

\*\*\*Assessment on 'Assignment based evaluation' of a student's performance would be throughout the semester period through the on line assignments, off line assignments for the theoretical subjects given to the students

b. 50 marks out of 100 marks for the final /terminal semester students would be awarded based on best SGPA (based on 1<sup>st</sup> to 7<sup>th</sup> semester SGPA)'.  
.

**SGPA of a particular semester will be considered as stood on 21.07.2020.**

**Calculation of marks for the above will be as per the following conversion formula :  $\text{Best SGPA among the last Seven 7 semester (i.e. semester-I to semester-VII) } - 0.75 \text{ multiplied by } 5.0 \text{ i.e } \{ (\text{best SGPA} - 0.75) * 5.0 \}$**

c. 30 marks out of 100 marks for the final /terminal semester students would be awarded based on 'Internal Assessment based evaluation'.

\*\*\*Assessment on 'Internal Assessments based evaluation' of a student's performance would throughout the semester period through class tests, attendance, on line test, quizzes, group discussions held etc. for the theoretical subjects.

d. If a student wishes to appear in a formal examination instead of above 'alternate evaluation method', he/she would be given an opportunity, as an exception, to apply for the same through a process to be notified only after Covid-19 situation gets normalized. The final result would be revised as per student's performance in the special examinations, irrespective of whether a student secures more or less marks than what is awarded to him/her through the 'alternate evaluation method'.

**The student has to filled up the form for initiating and processing the evaluation of method,**

**On line form fill up, clearance of Mess dues , clearance of College Dues and clearance of Examination fees should be submitted by the students for initiation of evaluation process and finalizing the results.**

**2. Students of final /terminal semester with back papers ( Theoretical only) in earlier even semester:**

a. All such students of final /terminal semester, who have back paper in earlier EVEN semester(s) in one or more subjects, would be awarded adequate grace marks with the previous performance to achieve pass marks in the subject.

b. However, if such students with back paper wish to appear in a formal examination instead of above 'alternate evaluation method', he/she would be given an opportunity, as an exception, to apply for the same through a process to be notified only after Covid-19 situation gets normalized. The final result would be revised as per student's performance in the special examinations, irrespective of whether a student secures more or less marks than what is awarded to him/her through the 'alternate evaluation method'.

c. The above two points ( 2.a and 2.b ) is **also** applicable for the students who have the Backlog subjects and supposed to pass the B.Tech. / M.Tech. Degree before 2020 i.e. who appeared in the 8<sup>th</sup> / 4<sup>th</sup> semester examinations respectively before 2020.

**d. The student has to filled up the form for initiating and processing the evaluation of method, informing the evaluation method as mentioned is accepted or opting for Special examinations. For non-willingness of the stipulated formula, he/she will be allowed for Special Examination.**

**On line form fill up, and clearance of Examination fees should be submitted by the students for initiation of evaluation process and finalizing the results.**

3. **The practical / laboratory / sessional subjects:** The practical / laboratory / sessional subjects shall be evaluated based on continuous evaluation (on the basis of Physical classes held before Lock down and On line classes held during Lock down, if any ) by scaling it up to 100.

\*\*\*Assessment of a student's performance throughout the above mentioned period as per the Guidelines . stated in the Academic Regulations of this College.

Laboratory/sessional report may be submitted through e-mail to the concerned Laboratory teacher, but hard copies have to be submitted.

**4. VIVA-VOCE:** Viva-voce of 8th semester will be evaluated by telephonic/on line system by the department..

**5. Evaluation of Project:** The project shall be evaluated based on continuous evaluation (on the basis of Physical classes held before Lock down and On line classes held during Lock down, if any ). Project report / thesis may be submitted through e-mail to the concerned supervisor and the HOD, but hard copies have to be submitted sent afterwards.

**6 MAR:** MAR to be earned as per MAKAUT guidelines.

Students will submit the MAR documents to the Mentors as per guidelines of MAKAUT and the mentors will evaluate the documents and finalize the MAR score sheet and submit it the concerned HOD.

**7. M.Tech. 4<sup>th</sup> semester: Evaluation of Project:** The project shall be evaluated based on continuous evaluation (on the basis of Physical classes held before Lock down and On line classes held during Lock down, if any ). Project report / thesis may be submitted through e-mail to the concerned supervisor and the HOD, but hard copies have to be submitted sent afterwards. External Examiner may be appointed during Project Defence

**8 Examination fees, Colleges dues and Mess dues:** Have to be cleared by the student to initiate the form filling up.

**9 Students of intermediate semester:**

a. All students of intermediate semesters shall be promoted to the next semester.

b. Evaluation process of all intermediate semesters would be finalized in due course of time preferably only after Covid-19 situation gets normalized.

c. The commencement of the next academic session shall be decided by the appropriate authority when the Covid-19 situation permits so.

d. However, all such students are advised to get themselves involved in the following activities for which scope of credit transfer/ include in the academic performance would be explored and notified in due course of time

i. Enroll in the courses offered by NPTEL through SWAYAM platform in the courses of the interest of the students or having career prospect. A mapping list for some courses of the curriculum would be published and successful

completion of such online courses would allow students to get the benefit of credit transfer scheme in the assessment process of next semester.

ii. Enroll in different online courses in national/international platform like Coursra, Simplilearn, edx, udemy etc for which credit transfer scheme would be considered after appropriate mapping of contents with syllabus of this university. Colleges may propose such mapping of contents of online courses with our courses & syllabus with justification of mapping for consideration of credit transfer scheme.

iii. Enroll in different online internship programs offered by different organizations.

iv. Enroll in different online projects which would enhance employability and capacity building skill.

v. Engage in entrepreneurial activities in the areas of future prospects.

Note: 1. Earlier notification [Ref.No.421 dated 04.07.2020] in this respect stands cancelled

2. All dues must be clear before the processing of the result
