Circular

Date:25.09.2022

It is hereby informed to all concerned that the Degree certificates of the students who passed out from 2012 to 2019 have already been issued except few students who passed their backlog examination after the specific passed out year earmarked for them (https://docs.google.com/forms/d/e/1FAIpQLSeVeFrBoC0aLdBPTqXhuofTnl3r1BcTEsihuKo7SyDjmy0Nkg/viewform?usp=sf_link.) Because of the newly adopted system and the joint signature of the Vice Chancellor of MAKAUT and the Principal of the autonomous college, the preparation of certificates for the remaining batches of students is still ongoing. The examination/result related data of graduates passed out from the autonomous set up of Jalpaiguri Government Engineering College from 2012 onwards is being uploaded on the MAKAUT autonomous college portal, and as a result, all corrections or pending certificates have been put on hold until the data uploading process is complete. All graduates who graduated from autonomous colleges between 2016 and 2019 who needed corrections made to their degree certificates and graduates who graduated between 2020 and 2022 are advised to obtain **confirmation letter** from the head of the institute, if required until they receive the degree certificates. **Employers and institutions** are welcome to write to us directly for data verification (verification@jgec.ac.in) until degree certificates are issued to the graduates and request to consider the **provisional certificates** until student receive the original Degree certificate from MAKAUT. If errors or typographical mistakes are noted in their certificates by the students who passed on or before 2019 and subsequently got their certificates, those affected students may report the problems through this Google form (<https://forms.gle/oAVVCDaexydXGpQU6>) for necessary rectification.
