

TRAINING & PLACEMENT CELL
JALPAIGURI GOVERNMENT ENGINEERING COLLEGE
(An Autonomous Government Engineering College)
Jalpaiguri, West Bengal

OFFICE ORDER

Order No.: TNP/001/2026

Date: 24.06.2026

To facilitate and strengthen the activities of the Training & Placement Cell of Jalpaiguri Government Engineering College, the following student members are hereby designated to act as **Single Point of Contact (SPOC) and Student Coordinators (Training & Placement Cell)**, respectively, for the academic session 2026-27, until further orders.

Roles and Responsibilities:

The SPOCs and Student Coordinators shall:

1. Coordinate with the Training & Placement Cell regarding placement, internship, industrial training, and career development activities.
2. Act as the primary communication link between students, departments, recruiters, and the Training & Placement Cell.
3. Assist in organizing campus recruitment drives, pre-placement talks, workshops, seminars, and industry interaction programs.
4. Maintain and disseminate information related to placement and internship opportunities among students.
5. Support recruiters during campus visits and online recruitment processes.
6. Ensure timely collection and verification of student data required for placement and internship activities.
7. Perform any other duties assigned by the Head, Training & Placement Cell in connection with training and placement activities.

All concerned are requested to extend their full cooperation to the SPOCs and Student Coordinators for the smooth functioning of the Training & Placement Cell.
