# Activities of Jalpaiguri Government Engineering College Alumni Association (JGECAA) *Period 01-06-2021 to 31-05-2022*

A community becomes successful when it constantly reinvents itself. JGECAA has always shown high spirits in all their past activities. The pandemic has given us that opportunity to overcome the most extreme difficult situations with positivity and an undaunted attitude to face challenges. It was a challenging time for educational systems, like all other sectors. Jalpaiguri Government Engineering College (JGEC) and its entire fraternity was no exception. Being a responsible community, it was the accountability of the Alumni Association (AA) to drive the student centric activities and at the same time, extend support to the entire fraternity to face the socio-economic shock. The biggest challenge was to keep the morale high and keep the community happy and engaged with valuable activities.

## **Our Mantra**

*“Driven by Gratitude, Bonded with Nostalgia.”*

List of activities that had been accomplished throughout the above time period are listed below:

### **1 Scholarship Program**

## 3 Project Kanchenjunga (PK)

**Theme:** Convention Centre, Building Kanchenjunga, adjacent to JGEC Campus

**Duration:** Continuing since last few years

**The event:**

PK is the most prestigious and the biggest focus of AA at present. Ex-students took initiative to build a G+2 Convention Center, Kanchenjunga. **Buy a Brick** is the slogan to showcase

---

the strength of the JGEC fraternity. The first floor has already been constructed and the building is planned to be inaugurated by August 2022 along with the Diamond Jubilee Celebration of JGEC. PK is the symbol of strong willpower of AA mixed with the urge to do something for future generations. It also enhances the brand value of JGEC.

It's all about creating a comprehensive benchmark development centre at JGEC, which will make the alumni extremely proud of. JGECAA is continuously working for uplifting of brand JGEC.

*The detailed construction status of PK is as follows:*

***Phase I & II: Construction of ground and first floor***

- 1) Civil construction for ground and first floor completed*
- 2) Interior decoration for first floor: 40% completed*
- 3) Interior decoration for ground floor: 20% completed.*
- 4) Civil construction for second floor: yet to start*
- 5) Annex Building for Kanchenjunga: completed*
- 6) Boundary wall for Kanchenjunga: completed*

***Phase III: Construction of Second Floor***

***Our Mantra for PK:***

***“It's all about DREAM and Realization of the Dream.”***

Alumni Contribution for building Kanchenjunga within the period of 01-06-2021 to 31-05-2022 is **Rs 15.73 lakhs**. The contribution list for Kanchenjunga (PK) is available at the Alumni Association website: <https://jgecalum.org/kanchenjunga>.

***All alumni are requested to come forward and contribute for the completion of PK. Yes, AA provides 80G. To join the initiative and becoming part of PK, please contribute at the following bank account:***

❖ ***Self-sustainable model of PK***

Along with the completion, one target of the AA is to make PK self-sustainable and providing maximum benefit to the students to attain their future goals in life.

With this objective in mind, AA has invited National Institute of Communication Development (NICD), Jalpaiguri within JGEC campus. NICD is a registered educational institution for student's counseling, training, grooming and overall personality development to enhance their employable skillsets. Already many JGEC students are attached with NICD and attend their classes in Jalpaiguri Town. NICD was instrumental to publish JGEC's first science, technology and business magazine Q4U, published by literary society in 2012-13.

With their presence in campus, NICD will now conduct their courses from ground floor of Kanchenjunga, so that students can avail those courses within campus itself and thus, it will help in saving huge amount of time, a key factor in everyone's life in 21st century.

As part of self-sustainable model of Kanchenjunga, the rent from NICD will contribute to ensure a part of regular strategic maintenance expenses of Kanchenjunga as well. NICD will also add values in creating few internal educational facilities inside Kanchenjunga ground floor, which will enable AA to carry out other student-centric programs in future days.

## 4 *Fighting Pandemic (Covid)*

**Theme:** Supporting mess employees of hostels inside JGEC campus

**Duration:** Covid Period

**The event:**

Since lockdown, AA supported the underprivileged families either residing at periphery of campus or connected to college in any form. Essential goods like food, clothes provided to families of mess employees around 5 times, till 31<sup>st</sup> May 2022. These activities used to be carried out in the Convention Centre, Kanchenjunga.

## 6 *NAAC Accreditation*

**Theme:** Initiatives to support NAAC Accreditation process

**Duration:** Throughout the year

**The event:**

Alumni Association took initiative to support NAAC Accreditation process during February 2021. NAAC Auditor's Team visited campus, met the alumni at Kanchenjunga and praised all the initiatives including Building Kanchenjunga. JGEC AA regularly furnishes all related information and documents that are required for accreditation process and collaborate with JGEC in the process.

## **7 JGEC Community – Stay Connected through Social Media**

**Theme:** JGEC - Presence in Social Media

**Duration:** Throughout the year

**The event:**

JGEC authority has engaged Alumni Association to create the official video of JGEC, which is shared with various stakeholders and available at YouTube:

[Jalpaiguri Government Engineering College || JGEC Official Video || A Brief Overview - YouTube](#)

JGEC students prepared the official video under the leadership of Alumni Association representatives. The video was posted at YouTube on July 2020, to showcase the heritage and values of JGEC. We provide regular updates in social media of our activities to keep the JGEC family updated.

## 9 Alumni Financial Contribution

**Financial contribution by Alumni for various JGEC centric activities:**

<i>Scholarship for JGEC Students</i>	<i>INR 5,11,000</i>
<i>Construction of Convention Centre, Kanchenjunga</i>	<i>INR 15,73,126</i>
<i>Supporting mess employees during Covid</i>	<i>INR 2,09,020</i>
<b>Total</b>	<b>INR 22,93,146</b>

### ***Still a long way to go:***

We have come a long way and collected many coins under the umbrella of AA, yet the destination remains far off. This is a continuous effort exerted by the alumni to make each event successful. Kudos to those who spent their personal time for the growth of the alma matter, trying to help every now and then by providing efforts, money, contacts – the way convenient to every individual member.

The relentless process to connect all alumni under the umbrella of AA has been a continuous work for the last ten years which is a great success for the JGEC Alumni Association.

**Our Motivation: Peak Kanchenjunga**

**!!! चरैवेति !!!**
