

# INVITED LECTURE

Dr. Subhasish Dey  
Distinguished professor  
Civil Engineering Department, IIT Jodhpur

## About the Speaker

Dr. Subhasish Dey is a globally renowned expert in hydraulic engineering and fluid mechanics. He is a Distinguished Professor in the Department of Civil Engineering at IIT Jodhpur and has made significant contributions to research in open-channel flow, sediment transport, turbulence, and scour around hydraulic structures. With numerous research publications, prestigious awards, and extensive experience in academia and industry collaborations, Dr. Dey is a leading figure in the field of civil engineering.

Tuesday  
1st April 2025
